Certificate issue letter

Dear Mr. Guo Jian,

We are pleased to attach your certificate No.: B 09 04 40189 023, which entitle you to label your certified product(s) with the respective certification mark. Let us give you some additional information which we consider to be important for you.

- The product has to be accompanied by a user manual and safety label/warning mark in the language of the country where it is supposed to be sold.
- To ensure that the validity of the certificate is not put at risk please inform us about any change in your production or of the product itself.
- The certification will allow you to sell your products easier and with less risk.
- The annual license fee will be **19** units for maintaining these advantages.
- Factory inspection should be performed periodically according to certification requirements for maintaining the products' conformity in production and your advantages.

Further information for the use of our mark is contained in our testing and certification regulations. We look forward to our co-operation and will assist you at any time.

Yours sincerely,

Zhao Yong
